

DIY Mini Suitcase Boxes

Project Overview: Decorate these adorable mini suitcase-style boxes using two different DSP wrapping methods. Perfect for travel-themed gifts, realtor gifts, or treats!

SUPPLIES USED:

- **On the Go DSP** – Fun travel-themed paper.
- **Gold Foil Paper** – Used for die-cut keys and accents.
- **Tags To Go Dies** – For layering tag embellishments.
- **Tags To Go Stamp Set or Bundle** – For stamped sentiments.
- **On the Go Puffy Stickers** – Adds fun dimensional icons.
- **Pack Your Bag Twine** – Color-coordinated twine for tags and handles.
- **Premade Foldable Suitcase Box** – White box with handle.
- **Adhesive** – Use Tear & Tape or Multipurpose Liquid Glue.

METHOD 1: WRAP-AROUND PAPER BAND

DSP Size: 10" x 2 3/4"

Score at: 4", 5", and 9"

Instructions:

1. Score your DSP strip at 4", 5", and 9".
2. Wrap it around the front and sides of the suitcase box.
3. Adhere ends to the back or side using strong adhesive.
4. Decorate with tags, twine, and embellishments.

METHOD 2: GLUED PANEL PIECES

DSP Sizes:

- Cut 2 panels at 3 1/2" x 2 3/4"

Instructions:

1. Adhere one panel to the front and one to the back of the suitcase box.
2. Add extra panels to the sides or top if desired.
3. Decorate with layered tags and coordinating accents.

TAG DECORATING TIP: Layer two tags using the Tags To Go Dies. Add a stamped sentiment, gold foil ring detail, twine, and a puffy sticker for added flair!
