

How it works:

1. Order from Tina at www.missgingerdotes.com.
2. Track your orders below.
3. Earn free Stampin' Up! products as a thank-you for your support.

Earn Points

Earn 1 point for every \$50 you spend (before tax and shipping, and after applying any Stampin' Rewards) through my online store. Orders cannot be combined to meet the \$50 threshold.

Example: A \$49.95 order will not qualify for a point. It must be \$50.00 or more.

Redeem Points

Once you've collected 10 points, redeem them for up to \$50 in Stampin' Up! product of your choice. Just complete this form and email, text, or mail it to me.

Points expire 1 year after they are earned.
